Did you know your landlord's insurance coverage only protects the building itself?

A renters insurance policy through Plymouth Rock Assurance is a great way to own peace of mind. If you have a written lease or rental agreement, you should consider renters insurance.

Why Renters Insurance?

Your landlord may require you to carry renters insurance, but there are several reasons to consider purchasing a policy even if it is not required:

Protection for Your Possessions. Including your furniture, clothing, jewelry, and electronics — whether your items are in or away from your home.

Protection for You. Liability coverage provides financial protection in the event of a lawsuit due to a covered event.

Reasonable Cost. In many cases, renters insurance is a real bargain considering the coverage.

What's Covered?

Loss of personal property caused by:

- Fire, lightning, wind or hail
- Smoke damage, theft
- Leakage or overflow of water, freezing of plumbing or HVAC, and more

Property damage and bodily injury to others caused by a covered event for which you are responsible.

Bundle & Save!

When you combine your renters insurance with car insurance through Plymouth Rock, you are eligible for big savings:

- 25% off your renters insurance
- 5% off your car insurance
